*BY INVITATION ONLY*

---

Please join us as we proudly share and celebrate past and present innovations in the field of ophthalmic surgery and eye health. For this Fall 2017 reception, we have prepared a special display that covers the evolution of our phacoemulsification technologies over the past few decades. Attendees will also learn more about the company's 164 year history, and the science behind many of our other current eye care products, while mingling with members of our technical and senior leadership teams responsible for our Surgical, Pharmaceutical, Consumer, and Vision Care product portfolios.

*A selection of wines, hors d'oeuvres and other beverages will be served throughout the evening.*
